

What a Day For a Daydream (Aussie Tempos 1004) Nev McLachlan

OPENER - CLOSER

Sides face grand square
What a day for a daydream
What a day for a daydreaming boy
And I'm lost in a daydream
Been dreaming bout my bundle of joy
Gents star by the right, one time around the ring go
Your corner allemande left and Promenade home
And you can be sure that if you're feeling right
A daydream will last along into the night

FIGURE

Heads rollaway and then square thru
Four hands that way till you meet the side two
Touch 1/4 and Scoot back
Make that wave, centres trade and swing thru I say
Centres run, Ferris wheel the boys go
Pass thru, swing the corner, Promenade home
And you can be sure that if you're feeling right
A daydream will last along into the night

Around the corner dosado that way
Touch 1/4 and Scoot back

A daydream will last along into the night
