

Imagine (Aussie Tempos 1006) Jason Dean

OPENER - MIDDLE BREAK - CLOSER

Circle to the left

\*Imagine there's no heaven

It's easy if you try

Left allemande, turn thru at home

Left allemande and weave the ring

Imagine all the people

Swing your girl and all promenade (living life in peace/sharing all the world)

You may say that I'm a dreamer, but I'm not the only one

FIGURE

Heads square thru and go

You do a dosado

Swing thru and then

Recycle round

Veer to the left and ferris wheel

Pass thru and touch a quarter

Scoot back there

Swing the corner girl and promenade

I hope someday you'll join us, and the world will live as one

TAG

(Slower) And the world will live as one

ALTERNATE LYRICS

\*Imagine there's no countries, it isn't hard to do

\* Imagine no possessions, I wonder if you can
