

Hooked On You (A 1020) Steve Turner/nicole Turner

OPENER - CLOSER

Left allemande you know, grand right & left no way of knowing
If I'm up or down or if I'm, dosadoing
Promenade It's true
Ah honey I'm hooked on you
Sides face grand square
When I see you coming I get, so excited
My heart starts shaking I can, hardly bear it
Well you know It's true
Ah honey I'm hooked on you and you know It's true

FIGURE

Sides promenade ½ way round like this
Pass the ocean and then, Spin the top my friend
Boys move up, recycle with me honey
Touch ¼, split circulate, boy run right
Swing your corner and promenade tonight
You know it's true
Ah honey, I'm hooked on you

MIDDLE BREAK

When I'm in your arms I just, go to pieces
Reverse single file go walking, jeepers creepers
Girls backtrack one time
Box the gnat, do the wrong way grand
When I see you coming, I get, so excited
Swing and promenade, I can hardly bear it
Well you know it's true
Ah honey I'm hooked on you and you know it's true
