

Been There, Done That (Aussie Tempos 1027) Steve Turner

OPENER

Circle left
It's 11 o'clock and I'm jamming with the band
Down at my favourite spot
Boys star right one time tonight
Left allemande your corner lady and weave
I tell ya, Been there, Done that
A couple of times as a matter of fact (Promenade)
You don't have to school me, I know where it's at
Been there, Done that

FIGURE (corner progression)

Heads promenade you travel halfway there son
Pass thru, Seperate and Go Around one
Make a line go Up and Back, now the Centre Two

Everybody do the Right and Left thru then Slide Thru
Swing your corner lady, Promenade two by two
You don't have to school me, I know where it's at
Been there, Done that
