## ORIGINAL LYRICS

Well I was sixteen, and sick of school  
I didn't know what I wanted to do  
I bought a guitar, I got the fever  
That's Rock 'n' Roll

I played at parties, played in bars  
I spent my money buyin' new guitars  
I screamed my heart out, but how I loved it  
That's Rock 'n' Roll

Well, come on everybody, get down and get with it  
Come on everybody, get down and get with it  
Come on everybody, get down,

That's Rock 'n' Roll

It's when the smokin', and the heat  
Have got your heart pounding right with the beat  
Don't try to fight it, just get excited  
That's Rock 'n' Roll

Well it's the roadies, and the crowd  
It's when the band's playin' way too loud  
Your hips are shakin', ain't no mistakin'  
That's Rock 'n' Roll

Well, come on everybody, get down and get with it  
Come on everybody, get down and get with it  
Come on everybody, get down,

That's Rock 'n' Roll

Now don't you worry, 'bout bein' a star  
It doesn't matter who or what you are  
Just get the rhythm, and let it fill ya

That's Rock 'n' Roll

And if you feel it, clap your hands  
Let's see some sweat for the boys in the band  
Now lemme hear ya, lemme hear ya  
That's Rock 'n' Roll

(Everybody) get down and get with it  
Come on everybody  
Get down and get with it  
Come on everybody  
Get down, that's Rock 'n' Roll
